

UGH! NOT CALOMEL, OIL OR SALTS, BUT DELICIOUS "SYRUP OF FIGS"

GIVE YOUR STOMACH, LIVER AND 30 FEET OF BOWELS A THOROUGH CLEANSING WITHOUT GRIPE OR NAUSEA. ENDS HEAD-ACHE, BILIOUSNESS, INDIGESTION AND CONSTIPATION.

This wonderful fruit laxative acts as a liver and bowel cleanser—tonic—not as an irritant. Its action is natural and gentle—no griping. It is delicious—no dreading. It is positive and prompt—no waiting.

If your stomach is sour and filled with vile gases, your head aches, or you are bilious, nervous, dizzy, halt sick, your tongue coated, your thirty feet of bowels clogged with waste not properly carried off—don't wait. Surely take a teaspoonful of delicious Syrup of Figs tonight, and in the morning all constipated waste, sour bile, gases and poisons will move on and out of the system, gently but thoroughly—no griping—no nausea—no weakness. In the old days people

let these matters run until they needed a large dose of physic, then they took something severe, like castor oil, salts or cathartics, that means abuse to the bowels. These are the days of the gentle and natural—the days of Syrup of Figs. This way you are not drugging yourself. Syrup of Figs being composed entirely of luscious figs, senna and aromatics can not cause injury.

Ask your druggist for "Syrup of Figs and Elixir of Senna," and look for the name, California Fig Syrup Company on the label. This is the genuine—old reliable. Any other so-called Fig Syrup is an imitation often mean to deceive you. Refuse such with contempt.

NEWS FROM THE CAPITAL

Santa Fe, N. M., May 9.—The state supreme court yesterday handed down the following opinion:

Case No. 1436, Territory of New Mexico vs. Felix Muniz, and Manuel Duran, appellants. Appeal from the district court of Taos county. The syllabus for this case reads:

1. Appellants were indicted and tried for murder. The jury returned the following verdict: "We, the jury find the defendants, Felix Muniz and Manuel Duran guilty of manslaughter, third degree." A motion was made in arrest of judgment, upon the ground that the jury did not convict the defendants of any crime recognized or existing under the laws of the territory of New Mexico, there being no degree of manslaughter known as third degree. The motion was overruled. The words of the verdict, "guilty of manslaughter," was a full and complete finding, and the super-added expression "third degree" is meaningless and to be traced as surplusage.

2. An instruction that "If you believe that any witness has willfully testified falsely in any particular, you have the right wholly to disregard all the evidence of that witness," is erroneous in not limiting the false testimony, upon the falsity of which the jury might disregard all the evidence of a witness, to some material fact.

The judgment of the lower court in this case was reversed and a new trial granted.

Opinion by R. H. Hanna, all concurring.

Treasurer's Receipts
The following sums of money were received in the office of State Treasurer O. N. Marron: Fidel Cordova, treasurer of Taos county, taxes, \$200.66; R. W. Hefflin, treasurer of San Juan county, taxes \$616.82; Chris Rathel, treasurer of Lincoln county, taxes, \$40.34; C. O. Bennett, district

clerk of Dona Ana county, fees \$250.40

Insurance Co. Would Enter State
The Beneficial Life Insurance company of Salt Lake City, Utah, has applied to the New Mexico department of insurance for necessary papers to make application for admittance to do business in the state.

Qualified as Regent
Eugenio Romero, of Las Vegas, yesterday afternoon qualified as regent of the New Mexico Normal University.

Santos Montoya Paroled
Governor W. C. McDonald has paroled Santos Montoya from the state penitentiary. Montoya had served 18 months of a three years' term from Dona Ana county for horse stealing. The application for parole of J. B. Romero will be considered at the next meeting of the pardon and parole board. Romero is serving a life sentence from Mora county for murder. He has served 20 years.

Prisoners from Eddy County
M. C. Stewart, sheriff of Eddy county, brought five prisoners to the state penitentiary from Carlsbad. The recruits are: Cecilio Valles, 18 months for assault with intent to kill and assault with a deadly weapon; Julio Mendoza, one year to 15 months for receiving stolen property; Francisco Dominguez, one year to 15 months for assault with intent to kill and assault with a deadly weapon; J. A. Jackson, one year to 15 months for larceny and receiving stolen property.

Governor in Albuquerque
Governor and Mrs. William C. McDonald left this afternoon for Albuquerque where the executive will attend tonight the banquet of the New Mexico Retailer's association in the Masonic temple.

Poor appetite is a sure sign of impaired digestion. A few doses of Chamberlain's Stomach and Liver Tablets will strengthen your digestion and improve your appetite. Thousands have been benefited by taking these Tablets. Sold by all dealers.

MUSIC LOVERS OF THE CITY ENTHUSIASTIC FOR HAROLDI

HAROLDI, FAMOUS VIOLINIST.

It is promised that an immense audience will greet the famous Polish violinist, Haroldi, when he appears in concert May 22 at the Duncan opera house.

Unusual interest has been taken in the coming of this brilliant virtuoso. Music lovers who keep in touch with the outside world have read of his triumphs elsewhere and are anxious to avail themselves of the opportunity to hear him. Haroldi is now winning the unqualified praise of the American public. One reason for his success is because he is totally different from all violinists who have preceded him. His personality is unique—his very appearance suggests the unusual. His playing is masterful yet quite simple. Trickery and meaningless flights of technique play no part in his music. He selects for his program, as his whole list of offerings will prove, only those compositions that brim with melody and which are humanly beautiful. It is not necessary that one be a student in order to appreciate and be carried away by his interpretations, yet none admire him more than do those who have studied music in all its intricate phases. In a word, Haroldi is an artist who possesses that happy medium which wins the love and admiration of all classes of concert-goers and which has been the means of drawing to his concerts, people, who, as a rule, do not attend musicals.

With Haroldi comes, Rudolph Polak, the talented Bohemian pianist, composer who is one of the finest accompanists now before the public. The program which Haroldi will give is one of the most beautiful in his extensive repertoire.

A WAR VETERAN RETIRES.

Washington, D. C., May 9.—The only general whose service dated back to the days of the civil war was removed from the active list of the army today, when, by reason of the fact that this was the sixty-fourth anniversary of his birth, Brigadier General Daniel H. Brush was retired from active service. Until recently General Brush was in command of the department of California, with headquarters at San Francisco. A service of 45 years in the army and

41 years as a commissioned officer is the record he leaves behind him. General Brush is a veteran of the civil, Indian and Spanish wars. He is a native of Illinois and served in the civil war as private in the 145th Illinois volunteer infantry. He enlisted at the age of 16 and served with credit until the end of the war, when he received an appointment to West Point. Upon his graduation from the military academy in 1867 he was appointed second lieutenant of the 17th infantry. For twenty-three years he was stationed in the far west, and took an active part in several Indian campaigns.

He was with General Stanley in

Healthy Mothers

Women who bear children and remain healthy are those who prepare their systems in advance of baby's coming. Unless the mother aids nature in its pre-natal work the crisis finds her system unequal to the demands made upon it, and she is often left with weakened health or chronic ailments. No remedy is so truly a help to nature as Mother's Friend, and no expectant mother should fail to use it. It relieves the pain and discomfort caused by the strain on the ligaments, makes pliant and elastic those fibres and muscles which nature is expanding, prevents numbness of limbs, and soothes the inflammation of breast glands. The system being thus prepared by Mother's Friend dispels the fear that the crisis may not be safely met. Mother's Friend assures a speedy and complete recovery for the mother, and she is left a healthy woman to enjoy the rearing of her child. Mother's Friend is sold at drug stores.

Write for our free book for expectant mothers which contains much valuable information, and many suggestions of a helpful nature.
Mother's Friend
BRADFIELD REGULATOR CO., Atlanta, Ga.

the Yellowstone expedition in 1872 and took part in the fight at the mouth of the Powder river. He commanded a company of Indian scouts in the Yellowstone expedition, under General Custer, in the following year and was in the fights on the Yellowstone and Tongue rivers.

When the Spanish war broke out General Brush, serving as a professor of military science at the University of Illinois, applied for leave, and went to Cuba with the 17th infantry and participated in the fight at El Caney and at Santiago. The next year he went to the Philippines and was in the field constantly in the operations against the insurgents, being especially active in the engagements at San Fernando, in Luzon. He was promoted colonel of the 24th infantry in May, 1909, and held that command until February, 1908, when he was appointed a brigadier general.

OKLAHOMA ELKS

Muskogee, Okla., May 9.—Members of the order of Elks from every nook and corner of Oklahoma were on hand here today at the opening of the annual convention of their state association. Distinguished representatives of the order in Kansas and Texas also are present as special guests of the convention, which will be in session two days. Arrangements will be made for an unusually large representation from the three states at the national convention to be held in Portland this summer.

G. A. R. VETERANS AT ANACONDA

Anacanda, Mont., May 9.—Anacanda is gayly decorated in the national colors in honor of the annual encampment of the G. A. R. department of Montana, which assembled here today for a three days' session. In connection with the encampment of the veterans will be held the annual meetings of the state organizations of Spanish war veterans, the Women's Relief Corps, Ladies of the G. A. R. and other affiliated bodies.

APPLICATIONS FOR WATER ARE DECIDED

STATE ENGINEER TAKES IMPORTANT ACTION IN A NUMBER OF CASES

Santa Fe, N. M., May 9.—Action upon various important water applications, involving valuable irrigation rights, has been taken by State Engineer Charles D. Miller. The more important applications acted upon are as follows:

No. 551 by W. Goff Black, for waters of the Animas river, to cover what is known as the old Eden project on the east side of the river, to reclaim 25,000 acres; rejected.

No. 546, Lee Platt, San Marcial, application for waters of Foster Draw, Luna county. Irrigation of small acreage. Approved, protested against by Rio Mimbres Irrigation company; protest overruled.

No. 431, M. B. May, Nogal. Certificate of construction. Irrigating small project on Tortolito creek, approved, construction work described in application, being completed. Small project. An extension of time was granted on this same application in favor of applicant in which to apply the water to beneficial use.

No. 511, J. A. Miller of Roswell, small irrigation project for waters of South Springs branch, tributary to the Rio Hondo. Application rejected.

A Unique Drainage Project

No. 602, J. A. Miller of Roswell, calling for the development of waters by drainage and turning of artesian water into the Pecos river, and the appropriation of the same 25 miles below for the irrigation of 800 acres in Buffalo valley. This application is approved provided that measuring devices be installed on the different drainage ditches by applicant and discharging into the Pecos. A reasonable amount for seepage and evaporation to be deducted from this amount and allow applicant to pump the balance out of the river at point of diversion.

No. 457, W. H. Bartlett, Vermejo Park, waters of Vermejo river. Certificate of construction granted, the extension of old ditches to cover the necessary construction for irrigation of new lands having been completed. Licenses to appropriate granted for the irrigation of 440 acres, which investigation shows, have been irrigated from the construction system above mentioned.

Bond Forfeited

No. 59, C. W. Thuninger, Aztec, for waters of Animas river, appropriation of water for 1,200 acres in behalf of the Orchard Irrigation district, extension of time granted. Considerable protest was made against the granting of this extension of time, by residents under the Orchard company, but in view of the priority of water right and value of same to the project, and also that a bond of \$1,000 was forfeited and the warrant of the irrigation district therefor has been filed in the office of the state treasurer for collection; same was approved.

No. 624, J. A. Herzstein, Antonito, Colo., for waters of Primario creek, Taos county. Irrigation of small project. Rejected.

No. 452, Mrs. Isabella L. Thompson, for waters of Stone corral draw, Grant county; rejected.

No. 386, Hadison and Stark, Alamogordo, for waters of Dig canon. Small irrigation project. Certificate of construction granted, construction work having been completed.

No. 179, Farmington Electric Light and Power company of Farmington, for waters of Animas river for power purposes. Extension of time granted, one-fifth of the work being constructed.

No. 462, G. A. Richardson, Roswell, for waters of Deep lake for the irrigation of several hundred acres of land, approved, evidence having been submitted that Deep lake in question is considered a public water course, and the waters thereof subject to appropriation within the meaning of the statute as against the appropriation of percolating waters as set out in the supreme court decision of Vandewater vs. Hewes.

No. 611, J. F. Quintana, water of Rio Medio, Taos county. Application approved over protest inasmuch as considerable unappropriated water was found to be available during the winter season which could be appropriated and stored, there being no other storage facilities by prior applicants on the head waters of the stream system. Use of water under this project deemed to be of benefit rather than injury to the prior claimants lower down.

Sacramento Application Rejected

No. 203, Sacramento Valley Irrigation company for waters of the Sacramento river, Otero county, rejected, repeated notices having been

sent to the company, requesting the filing of plans and specifications amendatory of application, same not being complied with after such notice application was rejected for failure to comply with rules and regulations.

No. 550, Application of Justice Gerlach, pumping proposition from the Pecos river, approved, allowing applicant to use the water pending the construction of the T. A. Zell reservoir whose application and water rights are prior and which would cover the Gerlach land eight feet when filled.

No. 608, Molly A. Thornton, Ocupep, small irrigation project approved.

A Good Proposition
No. 209, Extension of time on Maxwell Irrigated Land company, approved. This project is one of the most bona fide and conservative projects in the state. Period for application to use extended, construction work having been completed, and 6,000 acres of land having been irrigated of the total project.

No. 376, W. W. Conklin, Colmer. For water of Sweet Water arroyo. Irrigation of 300 acres, approved, protest of Lake Chenette Irrigation company, overruled.

Miscellaneous

T. A. Lewis, of Hope, change of place of use of water heretofore on the Penasco to other lands. Approved.

Plans and specifications of the power dam of the Public Utilities company, Carlsbad, approved. Previous dam having been partially destroyed by large floods on the Pecos last fall.

CINDERELLA SCORES A DESERVED HIT

"The Reign of Cinderella is on!" A woman of less brains, or less discerning personality than Miss Mabel Taliaferro would have failed most ingloriously, both in her attempt to seize the scepter of Cinderella, and in succeeding to make the world in general accept her as the successor of daintily "Cindy" of our story book days. The Selig Polyscope company, have erected a triumphal arch around the beloved legend, through which Prince Charming and Cinderella lead their imperial cortege. In staging this mammoth spectacle, which is now being shown at the Browne theater, the Selig people illustrate the truism that life is activity, and the three-reel production as viewed by the writer, is a fitting tribute to their untiring efforts to lift to a higher plane the moving picture industry. That the story proves of absorbing interest to old and young alike is a foregone conclusion, inasmuch as Cinderella meets the demands of all ages, and is destined to live long after less ambitious efforts of silent drama have been forgotten. Messrs. Duncan and Browne of the Browne theater announce that these reels will be shown for the last time tonight.

HOUSTON GREET TRAVELERS

Houston, Tex., May 9.—Splendidly decorated for the occasion, Houston today cordially welcomed the delegates to the annual convention of the Texas division of the Travelers' Protective association. The reception of the visitors and a preliminary meeting of the board of directors occupied the day. The regular business sessions will begin tomorrow morning and continue until Saturday. Luncheons, banquets, automobile rides and a visit to the San Jacinto battlefield are features of the entertainment program provided for the visitors.

WHY IT PAYS TO BUY ADVERTISED GOODS

Because the advertiser has done something to inspire confidence. He has not only explained the value and usefulness of his product, but has put his personality and reputation behind his statements.

He can be trusted because his very business existence is at stake.

He believes in his goods to the extent of investing his capital, not only in making the goods right, but in advertising, which will not prove permanently profitable if he fails to make good—secure repeat orders.

The advertising is not only a protection to the trade name, but it is the advertiser's guarantee of quality.

You are justified in being suspicious of unadvertised goods, because, however much confidence the dealer or manufacturer may have in them, he has not enough faith in them to spend money in telling others of their goodness.

It Always Pays to Buy Advertised Goods

Danderine

**Stops Falling Hair and
Destroys Dandruff**

**Makes the Hair Grow Long, Heavy
and Luxuriant and We Can
Quickly Prove It**

**If You Wish to Double the Beauty of
Your Hair at Once, Just Get a 25
Cent Bottle and Try This**

Surely try a Danderine Hair Cleanse if you wish to immediately double the beauty of your hair with little trouble and at a cost not worth mentioning—just moisten a cloth with a little Danderine and draw it carefully through your hair, taking one small strand at a time; this will cleanse the hair of dust, dirt or any excessive oil. In a few moments you will be amazed. Your hair will be wavy, fluffy and abundant and possess an incomparable softness, lustre and luxuriance, the beauty and shimmer of true hair health.

Besides beautifying the hair, one application of Danderine dissolves every particle of Dandruff, cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. It's exhilarating, stimulating and life-producing properties cause the hair to grow abundantly long, strong and beautiful. It at once imparts a sparkling brilliancy and velvety softness to the hair, and a few weeks' use will cause new hair to sprout all over the scalp. Use it every day for a short time, after which two or three times a week will be sufficient to complete whatever growth you desire.

You can surely have pretty, soft, lustrous hair, and lots of it, if you will just get a 25 cent bottle of Danderine from any drug store or toilet counter and try it as directed.
